

Layout - 26

SAFETY NOTE(s)

1. On busy sites to reduce the risk of being hit by the gate obstacle we recommend that where possible the gates are only used for one-way traffic.
2. Children under 1m must be accompanied by an adult, the child must past first.
3. We strongly recommend that a full user risk assessment to BS7036 is carried out at the initial design stage.

-  Standard Card Reader Location
-  Gate Controller Location (TD)
